

Behavior Policy:

Due to the incredibly intense nature of this learning environment, and the need for all campers to be able to focus on instruction, the ability to complete the tasks at hand, and to ensure the safety of all of our campers, we must instill the following policy.

- Behavioral problems or inappropriate behavior cannot and will not be tolerated, and the student will be removed immediately from the program. If this occurs, parents or registered guardian of the camper, will be expected to pick up their child within one hour of being notified by LPBMM.
- If your child has ADHD or any type of Behavior Issue, that is controlled by medication, they **MUST** take their medication for the duration of the camp.

We have and will continue to maintain a high level of discipline in the program, and will continue to do so, to ensure a high level of safety and satisfaction in our camps.

If you would like to discuss this policy, please feel free to contact Cabell Mouton, Educator at 985-845-9200 or educator@lpbmm.org.
